## Daily Educational Programs for All!

Mondays 11:30AM	Garden Tour
Tuesdays 2:30PM	Animal Feeding
Wednesdays 2:30PM	Nature Art
Thursdays 2:30PM	Be A Scientist
Fridays 2:30PM	Animal Feeding
Saturdays 11:30AM	Creature Feature

See our FREE, daily summer programs!  
No registration necessary.

## Crafty Critters: Busy Bees

Saturday, June 18th  
1 - 4 PM

Bring the family to HBS's Valentine Meadow (888 Horse Cove Rd) to create a nature-themed craft! We'll focus on bees that call the Plateau home in preparation for ecoEXPLORE's Entomology Field Season

Family-friendly!!

## Nature Center Nights

Tuesday nights  
May 31st - July 26th  
Times vary

Join us each Tuesday night this summer as we explore our local nightlife! Each week, we will focus on a nature-related topic such as salamanders, owls, stars, & more.

## North Campus Dedication

Sunday, June 5th  
4 - 6 PM

Years of planning & construction have brought the North Campus vision to a reality, & we are excited to share it with you! Join us as we celebrate & honor the hundreds of generous donors who made this new addition possible.

## HBF Annual Membership Meeting

Saturday, June 25th  
2 - 3 PM

Members, please join us at HBS's North Campus (111 Lower Lake Rd) as we share the great successes of this past year. All information for the meeting will be available on our website as the meeting date approaches.

## MAPS Education Station

Dates vary  
8 AM - 11 AM

Stop by HBS's Valentine Meadow (888 Horse Cove Rd) to learn about HBS's bird banding project & what data - & birds - we've found so far.

This opportunity will be recurring over the next several months. Dates vary based on banding conditions, so stay tuned to the HBS Facebook page for updates.

Scan this QR code to learn more about these & other upcoming programs.

### ATTENTION:

Programs marked with this symbol require or strongly encourage registration!
